

DIARY NOTES

DD/S [REDACTED]

11 January 1960

25X1A

1. Captain Findley, from Admiral Donaho's office, Department of the Navy, called to say that they were meeting with the [REDACTED] at 2:30 p.m. today. Following the meeting he telephoned again to say that the meeting had gone very well and that the [REDACTED] wanted to meet with me while he is here. I have arranged this for 11:00 a.m. on Friday, 15 January, and Matt Baird, [REDACTED] will accompany me. (See Memorandum of Conversation dated 12 January 1960.)

2. [REDACTED] was over to talk to me again about his possible assignment to the Budget Division. At the moment I think that he has about decided that he wants to go to [REDACTED]. There is no doubt, however, that eventually he wants to get into the DD/S end of the business. I told him that I understood completely if he chose to go to [REDACTED] at this time and that I would certainly be interested in him later; however, I could make no guarantee that I could place him at some later date in a position about which he would be happy.

3. I talked to [REDACTED] about his career development and learned that he had certain outside commitments which take a part of his time and that he does not appear to be as ambitious to go places in CIA as I had thought earlier. (See Memorandum for the Record dated 12 January 1960.)
